TERMS & CONDITIONS

Following are the terms and conditions for availing calibration services from PNRA.

- ❖ EM&D Labs (PNRA) provides calibration services for radiation monitoring equipment (RME) capable of measuring the intensity of gamma ray fields.
- ❖ The delivery and collection of equipment to/from EM&D Labs (PNRA) are the responsibility of the applicant. The applicant must ensure that the equipment is functioning properly before delivery. A pair of extra batteries, charging cables/power cables, operating manual and previous calibration certificates (if any) must also be provided.
- ❖ The equipment must be handed over to EM&D Lab (PNRA) on the appointment date as communicated through letter or email.
- ❖ Prior payment of calibration charges is mandatory before equipment collection. The calibration charges must be paid in the form of a Bank Draft / Bankers Cheque in favor of the “Director Finance, PNRA” at the time of equipment collection.
- ❖ In the case of courier/shipping, the applicant is solely responsible for all associated charges. EM&D Labs (PNRA) will bear no liability. Additionally, EM&D Labs will not be responsible for any damage to or loss of the equipment incurred during shipping.
- ❖ If the equipment is found to be not responding during the calibration process, calibration fees will still be charged. However, EM&D Labs, PNRA, will not be liable for any damage claims regarding the equipment.
- ❖ The equipment must be collected by the applicant within 10 working days of the communicated collection date. EM&D Lab will not be liable of any damage/loss in case the equipment is not collected back within this timeframe.

I, hereby, affirm that all the particulars given above are correct to the best of my knowledge and belief.
